This document relates to all
actions

IN CHAMBERS PROCEEDING:

The court hereby orders defendants in MDL 1407 to prepare a list of all pending motions to dismiss based on an alleged failure to comply with Case Management Orders ("CMOs") Nos. 6 or 13.

This list should include the following information: (1) the name of the defendant/s who filed the motion; (2) the date the motion was filed; (3) cause number under which the motion was filed; (4) the basis for the motion; and (5) whether the motion was filed on behalf of a particular defendant, or on behalf of all defendants. Defendants should provide this list to the court no later than Thursday, May 13, 2004.

At the same time, defendants should provide the court with an updated appendix for each motion. These updated appendices should not include any cases that have already been dismissed, nor any cases where entry of the order would violate an automatic stay.

Any motion not included in this list will be deemed stricken as of May 13, 2004.
